

## Call for Nominations

December 14, 2017

The 2018 ACUA Nominating Committee is accepting nominations for the following ACUA Board of Director positions until **February 1, 2018**. The term of office of each newly elected officer and at-large board member shall commence at the end of the Annual Business Meeting following their election (September 2018):

### **Vice President** (one year term)

This individual will replace **Justin Noble** who will become president of ACUA next year. The Vice President provides strategic and programmatic support to the president and other board members and typically assumes the position of association president in the succeeding year. He/she serves as the president in the event of the president's absence or inability to act, and performs such other duties as assigned by the president or the board. The Vice President is also responsible for originating, receiving and processing proposed amendments to the bylaws and serves as a member of the professional education committee.

### **Board Member-at-large:**

Two positions, 3-year term

These individuals will replace **Julia Hann and Sam Khan (currently appointed to fill a vacancy)**. Board members contribute to fulfilling the vision of the Association's strategic plan and represent membership interests in board discussions concerning ACUA's strategic direction and operating requirements. Board members-at-large perform duties and tasks assigned by the president as deemed necessary in the administration of ACUA. Such assignments may include monitoring the progress of various ACUA task forces and committees.

All nominations must be received by **February 1, 2018**, to ensure consideration for this year's election. Please send all nominations to Pam Doran, Nominating Chair, at [pdoran@mailbox.sc.edu](mailto:pdoran@mailbox.sc.edu).

If you have any questions on the nomination process, feel free to contact any member of the committee. If you are nominating someone else, you should first contact that person to determine whether he/she is willing to be nominated. You may also nominate yourself. Please include pertinent information with your nomination such as: name, institution, phone, email, years of ACUA membership, volunteer positions with ACUA, etc.

We expect the slate of nominees will be announced in **April 2018**. An e-mail providing the link to the electronic ballot will be sent to the Institutional Representatives on or around **May 14, 2018**.

Thank you for your thoughtful consideration and participation in this important process to ensure continuing qualified, representative ACUA leadership.
