

“Membership is my single greatest resource for managing all the different risks that are unique to our higher education environment. ACUA is the most valuable membership our audit department has.”

Kim Turner
Chief Audit Executive
Texas Tech University System

WE SERVE HIGHER EDUCATION WITH INFORMATION, RESOURCES – AND SUCCESS

ACUA is an association serving over 500 institutions of higher education in the U.S. and across the globe. Members include internal auditors, compliance and risk officers and others with similar responsibilities. Founded in 1958, we provide our members with specialized training, information and resources.

JOIN ACUA TODAY!

ACUA focuses solely on higher education. We provide members with specialized training, information and resources to assist with performing financial, operational and information systems audits, evaluating internal controls, investigating fraud, identifying trends in regulatory matters and conducting risk assessments that are specific to colleges and universities.

We are your most complete resource for auditing, regulatory compliance and risk management in higher education. For more information on ACUA or to join, call ACUA Headquarters at (913) 895-4620, email acua-info@goAMP.com or go to our Web site at www.acua.org.

ADVANCING
AUDITING
IN HIGHER
EDUCATION

“ACUA always goes out of its way to make the Annual Conference and seminars extraordinary activities that are not only fun but help enhance networking with other auditors.”

Toni Messer
Director of Internal Audits
University of Texas at Dallas

ONE-OF-A-KIND CONFERENCES & SEMINARS

ACUA's yearly events offer members exceptional professional development and networking opportunities that can't be found anywhere else.

“I can't imagine being an auditor in higher education today without ACUA. The advice available through the ACUA listserv, the educational programs offered, and the networking opportunities are simply unmatched by any other organization in our industry.”

Kevin Robinson
Executive Director
Internal Auditing
Auburn University

YOUR ULTIMATE RESOURCE: ACUA.ORG

acua.org is your comprehensive Web resource:

- Our listserv of over 1,200 members, ACUA-L, is invaluable for member support, advice and discussion of issues.
- The Audit Library provides one-stop access to audit programs, questionnaires, checklists and other higher education-specific materials.
- Links to resources in many areas save members and their organizations time and effort.

“It's a different auditing environment today, and my ACUA membership is a critical advantage in helping me keep up, stay ahead of issues, and have answers in hand.”

Seth Kornetsky
Director
Audit & Management
Advisory Services
Tufts University

KEY TOOLS & BENEFITS TO USE IN YOUR OWN WORK

Additional ACUA member benefits include:

- Subscription to ACUA's journal, *College and University Auditor*
- Benchmarking surveys on audit practices and staffing
- Strategic alliances with leaders in auditing, compliance and risk assessment
- NCAA Audit Guide – an increasingly valuable tool for compliance
- Distance learning for professional development

VALUABLE NEW MEMBERSHIP ADVANTAGES

ACUA is always working to deliver new benefits to members, including:

RISK DICTIONARY – defining financial, compliance, security and other risks, then linking them to specific examples and solutions, so you can be proactive in planning for and handling them.

INTERNAL AUDIT DEPARTMENT START-UP KIT – providing invaluable everyday examples of documents, templates and information needed to establish a department – and manage it effectively.

“Governance processes are becoming stronger and more refined—helping our auditing department to become more important and visible. Thank goodness we have our ACUA contacts for help with ready solutions to the myriad of challenges facing institutions of higher education!”
